- Directors' Report: Mr. Arnott gave an overview of what the school/district was working through given that we still don't know if school campuses will reopen this semester. All activities are on hold pending final decisions. The company making the school uniforms still expects to deliver them in time for the fall. They are currently making masks for first responders and are shut down otherwise.

Old Business

- **Band Banquet.** Michele Segura confirmed that the banquet in the current form will not happen this year. There is a strong desire to do something for the seniors once a decision is made on the school year. There was a request to even do a zoom meeting or something to allow the seniors have their bequeathing ceremony. Mary Grant is going to work on senior spotlight videos.
- **Trailer Buildout:** Michele confirmed that the company who we are talking to regarding the trailer build out is still open for business. If all stays on track with the environment, she will bring a proposal to the May meeting for discussion and vote to move forward with the build out in June.

New Business

- **Nominating Committee for 2020-21 Officers and Chairs:** Richard Galvez and Linsey Laws said the slate was pretty much filled. There were no questions.
